Consent to be Photographed and Published

I, _____, affirm that I am over 18 years of age, and
print your legal name, as shown on your driver's license
consent to be photographed by Gordon Mackenzie and/or other official Dark Garden photographers while modeling for Dark Garden during the Dickens Fair.

I hereby acknowledge that I transfer all rights in the resulting images to Gordon Mackenzie and/or other official Dark Garden photographers. In exchange, I will receive a digital copy of photographs taken of me.

I understand that I will not receive any monetary payment, even if the images are sold for profit.

I want the following name to be used as my modeling name:

this name will be used to identify photographs of you

Date

Remember:

- ❖ Your window should have a Victorian appearance and flavor.
- ❖ The most striking windows are the ones where the model holds still during poses—especially the eyes. Pick one point and look at it steadily; darting eyes detract from your window.
- ❖ Be on time for your window (that's the "Arrive" time on the reverse side, and is fifteen minutes before you will enter the window).
- ❖ Think of your theme, gather your props, and **PRACTICE YOUR POSES IN ADVANCE**. If you do the same window theme every year, try something different this year.
